

What's in it for YOU??

Of course the obvious question...when you do something to help me (and the Cancer Walk) I am going to do something for YOU!

There are three ways in all of this to earn free Scentsy items from me during this fundraiser. The 1st way we will be selling Scent circles which is the easiest route to sell Scentsy. You would sell 6 (or more in quantities of 6) to customers. Each 6 pack of Scent circles would be \$20. They simply pick out what 6 they would like and it's a straight \$20. NO TAX. The top seller of the scent circles would get a FREE tiger's eye warmer from me along with 3 Scent bars, and 6 scent circles of your choice. The second top seller would get an element warmer of your choice along with 3 scent bars and 3 scent circles. And the third top seller would get 3 free bars and 3 scent circles of your choice.

The 2nd way to earn free product is by selling straight from the catalog. Here you would collect orders and the money up front along with 6% sales tax. How you earn Free products here is this:

\$150 in sales you earn \$15 in FREE product

\$250 in sales you earn \$25 in FREE product

\$400 in sales you earn \$60 in FREE product

\$500 in sales you earn \$75 in FREE product

If you sell more than \$500 in sales...what you earn simply goes up from there. You would just calculate the amount you sold x15% and that's what you would qualify for in FREE product.

Thirdly...for everyone that is helping with this fundraiser, for every \$150 in product you sell your name will go into a drawing for a free item! It may be a warmer, hand soap, scentsy bars, travel tins, etc. The amount of free products I give away, depends on the amount of TOTAL sales at the end of march. It could be anywhere from 5 free items to MANY! So the more sold...the more chances everyone has of winning FREE Scentsy!!! Think of it this way, the more you help out with this fundraiser, the more YOU will get!

Please remember this when helping with this fundraiser...ALL of my commission is going to the cancer walk this month. At this point, I make 25%+ with Scentsy. If sales are over \$2000 my commission jumps up to 30%+. What that means is if we sell \$1000 worth of inventory, the Cancer walk receives \$250. If we sell \$2000 worth of inventory, the Cancer walk receives \$600. Let's make this a HUGE month for the Cancer walk! WE CAN DO THIS!!

Thank You!
